## **2026-27**

# Curriculum Overview

At AHPS, we believe education is more than academics – it is about nurturing confident, responsible, and future-ready individuals. Our curriculum for the academic session 2026-27 is designed in line with CBSE guidelines, integrating scholastic and co-scholastic areas for holistic development.

# Primary School (Classes I–V)

- Focus on foundational literacy and numeracy.
- Introduction to environmental awareness, art and physical education.
- Activity-based learning to encourage creativity and curiosity.

# Middle School (Classes VI–VIII)

- Strengthening core subjects: Mathematics, Science, Social Science, English, and Languages.
- Emphasis on project work, critical thinking, and digital literacy.
- Co-curricular integration: sports, arts, and clubs to build teamwork and leadership.

**LEARNING  
WITH CARE,**

# **Secondary School (Classes IX–X)**

- **Comprehensive preparation for CBSE Board Examinations.**
- **Balanced focus on academics, career guidance, and life skills.**
- **Continuous assessment through formative and summative evaluations.**

# **Senior Secondary (Classes XI–XII)**

- **Stream-wise curriculum: Science, Commerce, and Humanities.**
- **Advanced subject specialization with practical exposure.**
- **Skill development programs, career counseling, and competitive exam support.**

# Co-Scholastic Activities

- Sports, performing arts, visual arts, debate, and robotics.
- Personality development and soft skills training.
- Value education and community service initiatives.

# Assessment & Evaluation

- Continuous and Comprehensive Evaluation (CCE).
- Focus on conceptual clarity, application, and innovation.
- Recognition of both academic excellence and co-curricular achievements.

# Future Readiness

- Integration of technology in classrooms.
- Career guidance and counseling sessions.
- Emphasis on global outlook, leadership, and ethical values.
